## Fall Enrollment Information 2017 - 2018

### Page Two

- Curriculum:** Our curriculum consists of monthly themes of study. Teachers adapt the theme with appropriate activities and materials according to the developmental needs of the children. Specific readiness concepts and skills are emphasized monthly with each class.
- Language, math, science, cooking, manipulatives, art, creative dramatics, creative movement, music storytelling, Bible stories and prayer are included, as well as indoor and outdoor play.
- Lunches:** Each child is responsible for bringing his/her own lunch, complete with drink. As an option, we offer pizza on Tuesdays and chicken nuggets on Thursdays. The cost of meals remains the same each month.
- Preschool Staff:** Very competent teachers with education and experience have been selected to teach your child.
- Rest Periods:** The children take rest periods according to their own class schedules. The older classes spend less time on their rest mats than the younger ones. The Bear and Pre-K classes do not take naps.
- Philosophy of Education:** To foster each child's growth in Christian character while preparing him/her for kindergarten physically, emotionally, socially and mentally.
